PROXY STATEMENT
For
2019 Annual Meeting of Stockholders
To Be Held on May 1, 2019

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders ("Notice of Annual Meeting"). Much of the information in this proxy statement ("Proxy Statement") is required under rules of the Securities and Exchange Commission ("SEC"), and some of it is technical in nature. If there is anything you do not understand, please contact us at (212) 372-9590.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Garrison Capital Inc. (the "Company," "we," "us" or "our") for use at our 2019 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, May 1, 2019 at 10:00 a.m., Eastern Time, at the offices of Garrison Investment Group LP ("Garrison Investment Group"), located at 1290 Avenue of the Americas, Suite 914, New York, New York, and at any postponements or adjournments thereof. This Proxy Statement and the Company's Annual Report on Form 10-K for the year ended December 31, 2018 (the "Annual Report") are being provided to stockholders ("Stockholders") of the Company of record as of March 6, 2019 (the "Record Date") via the Internet on or about March 20, 2019. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to Stockholders of record as of the Record Date.

Stockholders may provide their voting instructions through the Internet, by telephone or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials. These options require Stockholders to input the control number, which is provided with the Notice of Internet Availability of Proxy Materials. If you vote using the Internet, after visiting www.proxyvote.com and inputting your control number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders that vote via the Internet, in addition to confirming their voting instructions prior to submission, will, upon request, receive an e-mail confirming their instructions.

If a Stockholder wishes to participate in the Annual Meeting but does not wish to give a proxy by the Internet, the Stockholder may (1) attend the Annual Meeting in person or (2) request and submit a proxy card or vote by telephone by following the instructions on the Notice of Internet Availability of Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by the person giving the proxy at any time before it is exercised (1) by submitting new voting instructions via the Internet voting site, by telephone, by obtaining and properly completing another proxy card that is dated later than the original proxy card and returning it, by mail, in time to be received before the Annual Meeting, (2) by attending the Annual Meeting and voting in person or (3) by a notice, provided in writing and signed by the Stockholder, delivered to the Company's Secretary on any business day before the date of the Annual Meeting.

Purpose of the Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect two Class I directors of the Company who will each serve until the 2022 annual meeting of stockholders or until his successor is duly elected and qualifies ("Proposal 1"); and
2. To ratify the selection of RSM US LLP ("RSM") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019 ("Proposal 2").

Voting Securities

You may vote your shares at the Annual Meeting only if you were a Stockholder of record at the close of business on the Record Date. There were 16,049,352 shares of the Company's common stock (the "Common Stock") outstanding on the Record Date. Each share of Common Stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. If there are not enough votes present for a quorum, the chairman of the Annual Meeting will have the power to adjourn the Annual Meeting to permit the further solicitation of proxies.

Abstentions. Abstentions will be treated as shares present for purposes of determining whether a quorum is present.

Broker Non-Votes. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares on non-routine proposals (which are considered "broker non-votes" with respect to such proposals) will be treated as shares present for purposes of determining whether a quorum is present.

Votes Required

Election of Directors

The election of a director requires the affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes.

Abstentions. With respect to approval of Proposal 1, abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on the election of directors.

Broker Non-Votes. Proposal 1 is a non-routine matter. As a result, if you hold shares in "street name" through a broker, bank or other nominee, your broker, bank or nominee will **not** be permitted to exercise voting discretion with respect to Proposal 1 at the Annual Meeting. Therefore, if you do not vote and you do not give your broker or other nominee specific instructions on how to vote for you, then your broker cannot vote with respect to Proposal 1.

Ratification of Independent Registered Public Accounting Firm

The ratification of the appointment of RSM to serve as the Company's independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy.

Abstentions. With respect to approval of Proposal 2, abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on the ratification of the appointment of RSM to serve as the Company's independent registered public accounting firm.

Broker Non-Votes. Proposal 2 is a routine matter. As a result, if you hold shares in "street name" through a broker, bank or other nominee, your broker, bank or nominee will be permitted to exercise voting discretion with respect to Proposal 2 at the Annual Meeting. Therefore, if you beneficially own your shares and you do not provide your broker or nominee with voting instructions, then your broker, bank or other nominee will be able to vote your shares for you on Proposal 2.

Adjournment and Additional Solicitation

If there appears not to be enough votes to approve the proposals at the Annual Meeting, the chairman of the Annual Meeting will have the power to adjourn the Annual Meeting to permit the further solicitation of proxies.

A Stockholder vote may be taken on Proposal 1 or Proposal 2 prior to any such adjournment if there are sufficient votes for approval of such proposal.

Appraisal Rights

Stockholders who vote against either proposal will not have appraisal or other similar rights with respect to such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the Internet and the cost of mailing the Notice of Annual Meeting, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to Stockholders. The Company intends to use the services of Broadridge Financial Solutions, Inc., a leading provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. The Company reimburses brokers, trustees, fiduciaries and other institutions for their reasonable expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute proxies.

In addition to the solicitation of proxies by use of the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company, officers or employees of Garrison Capital Advisers LLC, the Company's investment adviser ("Garrison Capital Advisers"), Garrison Capital Administrator LLC, the Company's administrator ("Garrison Capital Administrator"), and/or by a retained solicitor. No additional compensation will be paid to such directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$10,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares but will ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm.

PROPOSAL 1: ELECTION OF DIRECTORS

In accordance with the Company's bylaws, the Board currently has five members. Two of these members are interested directors and three are independent directors. An interested director is an "interested person" of the Company, as defined in the 1940 Act, and independent directors are all other directors (the "Independent Directors"). Messrs. Cecil Martin, Joseph Morea and Matthew Westwood qualify as Independent Directors.

Directors are divided into three classes and are elected for staggered terms, with a term of office of one of the three classes of directors expiring each year. After this election, the terms of Class I, II and III will expire in 2022, 2020 and 2021, respectively. Each director will hold office for the term to which he is elected or until his successor is duly elected and qualifies.

A Stockholder can vote for or against, or abstain from voting with respect to, any nominee. In the absence of instructions to the contrary, it is the intention of Joseph Tansey and Brian Chase, the persons named as proxies, to vote such proxy FOR the election of each nominee named below. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement. The Board has no reason to believe that either Mr. Tansey or Mr. Martin will be unable or unwilling to serve.

If either nominee is not elected by the Stockholders at the Annual Meeting, in accordance with the Company's Certificate of Incorporation, such nominee will continue to serve as a director until his successor is elected and qualifies or until his earlier resignation, removal from office, death or incapacity.

THE BOARD, INCLUDING EACH OF ITS INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES NAMED IN THIS PROXY STATEMENT.

Corporate Governance

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and we are committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations.

Director Independence

The Nasdaq Global Select Market (“Nasdaq”) corporate governance requirements require listed companies to have a board of directors with at least a majority of Independent Directors. Under Nasdaq corporate governance requirements, in order for a director to be deemed independent, the Board must determine that the individual does not have a relationship that would interfere with the director’s exercise of independent judgment in carrying out his responsibilities. On an annual basis, each of our directors is required to complete a questionnaire designed to provide information to assist the Board in determining whether the director is independent under Nasdaq corporate governance requirements, the 1940 Act and our corporate governance guidelines. The Board has determined that each of Messrs. Martin, Morea and Westwood is independent under the Nasdaq corporate governance requirements and the 1940 Act. Our corporate governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and our Secretary of any change in circumstance that may cause his status as an Independent Director to change. The Board limits membership on the Audit Committee, the Nominating and Corporate Governance Committee, the Compensation Committee and the Valuation Committee to Independent Directors.

The Board’s Oversight Role in Management

The Board’s role in management of the Company is one of oversight. Oversight of the Company’s investment activities extends to oversight of the risk management processes employed by Garrison Capital Advisers as part of its day-to-day management of our investment activities. The Board reviews risk management processes at both regular and special Board meetings throughout the year, consulting with appropriate representatives of Garrison Capital Advisers as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board’s risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Stockholders should note, however, that the Board’s oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of the Company’s investments.

The Board’s Composition and Leadership Structure

The 1940 Act and Nasdaq corporate governance requirements require that at least a majority of the Company’s directors not be “interested persons” (as defined in the 1940 Act) of the Company. Currently, three of the Company’s five directors are Independent Directors (and are not “interested persons”). Joseph Tansey, President of Garrison Investment Group, Chairman of the Board and our Chief Executive Officer is an interested person of the Company. The Board believes that it is in the best interests of our investors for Mr. Tansey to lead the Board because of his familiarity with our portfolio companies, his broad experience with the day-to-day management and operation of other investment funds and his significant background in the financial services industry, as described below.

The Board does not have a lead Independent Director. However, Mr. Martin, the Chairman of the Audit Committee, Mr. Morea, the Chairman of the Nominating and Corporate Governance Committee, and Mr. Westwood, the Chairman of the Valuation Committee, are Independent Directors and act as liaisons between the Independent Directors and management between meetings of the Board. The Board believes that its leadership structure is appropriate because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The Board also believes that its small size creates an efficient corporate governance structure that provides opportunity for direct communication and interaction between Garrison Capital Advisers and the Board.

Information About Each Director's Experience, Qualifications, Attributes or Skills

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses and which the Board believes has prepared each director to be an effective member of the Board. The Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience or a factor that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, the Board believes that directors need to have the ability to review, evaluate, question and discuss critical information provided to them and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. The Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's professional experience, education and/or other personal experiences. The Company's counsel has significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Experience, Qualifications, Attributes and/or Skills that Led to the Board's Conclusion that such Members Should Serve as Directors of the Company

The Board believes that, collectively, the directors have balanced and diverse experience, qualifications, attributes and skills, which allow the Board to operate effectively in governing the Company and protecting the interests of the Stockholders. Below is a description of the various experiences, qualifications, attributes and/or skills with respect to each director considered by the Board.

Interested Directors

Joseph Tansey has served as Chairman of the Board and Chief Executive Officer since 2011 and is a member of our investment committee. He has served as President of Garrison Investment Group since its formation in March 2007. Prior to forming Garrison Investment Group, Mr. Tansey was a managing director at Fortress Investment Group LLC from 2002 to 2007 and a partner of Drawbridge Special Opportunities Fund from its inception in August 2002 to March 2007. At Drawbridge Special Opportunities Fund, Mr. Tansey was responsible for investment and loan structuring with a focus on structured finance and real estate transactions. Most recently, he ran Drawbridge Special Opportunities Fund's rediscount lending business. Certain Relationships and Related Party Transactions

We have entered into agreements with Garrison Capital Advisers, in which our senior management and members of our investment committee have ownership and financial interests. Members of our senior management and members of the investment committee also serve as principals of other investment managers affiliated with Garrison Capital Advisers that do and may in the future manage investment funds, accounts or other investment vehicles with investment objectives similar to ours. In addition, our executive officers and directors and the members of Garrison Capital Advisers and members of the investment committee serve or may serve as officers, directors or principals of entities that operate in the same, or related, line of business as we do or of investment funds, accounts or other investment vehicles managed by our affiliates. These investment funds, accounts or other investment vehicles may have investment objectives similar to our investment objective. As a result, we may not be given the opportunity to participate in certain investments made by investment funds, accounts or other investment vehicles managed by Garrison Capital Advisers or its affiliates or by members of the investment committee. However, in order to fulfill its fiduciary duties to each of its clients, Garrison Capital Advisers intends to allocate investment opportunities in a manner that is fair and equitable over time and is consistent with the written allocation policy of Garrison Investment Group and its affiliated investment advisers, including Garrison Capital Advisers, so that we are not disadvantaged in relation to any other client.

Policies and Procedures for Managing Conflicts

Garrison Capital Advisers and its affiliates have both subjective and objective procedures and policies in place and designed to manage the potential conflicts of interest between Garrison Capital Advisers' fiduciary obligations to us and the similar fiduciary obligations of its affiliates to other clients. For example, such policies and procedures are designed to ensure that investment opportunities are allocated in a fair and equitable manner among clients of Garrison Capital Advisers and its affiliates. An investment opportunity that is suitable for multiple clients of Garrison Capital Advisers and its affiliates may not be capable of being shared among some or all of such clients and affiliates due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act. There can be no assurance that Garrison Capital Advisers' or its affiliates' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor.

Garrison Capital Advisers may manage investment vehicles with similar or overlapping investment strategies with us and has put in place a conflict-resolution policy that addresses the co-investment restrictions set forth under the 1940 Act and seeks to ensure the equitable allocation of investment opportunities when we are able to invest alongside other accounts managed by Garrison Capital Advisers and its affiliates. When we invest alongside such other accounts as permitted, such investments are made consistent with the written allocation policy of Garrison Investment Group and its affiliated advisers, including Garrison Capital Advisers. Under this allocation policy, a fixed calculation, based on the type of investment, will be applied to determine the amount of each opportunity to be allocated to us. This allocation policy will be periodically approved by Garrison Capital Advisers and reviewed by our Independent Directors. We expect that these determinations will be made similarly for other accounts sponsored or managed by Garrison Capital Advisers and its affiliates. Where we are able to co-invest consistent with the requirements of the 1940 Act, if sufficient securities or loan amounts are available to satisfy our and each such account's proposed demand, we expect that the opportunity will be allocated in accordance with Garrison Capital Advisers' pre-transaction determination. If there is an insufficient amount of an investment opportunity to satisfy us and other accounts sponsored or managed by Garrison Capital Advisers or its affiliates, the allocation policy further provides that allocations among us and such other accounts will generally be made pro rata based on each account's available capital in the asset class being allocated, up to the amount proposed to be invested by each account. However, we cannot assure you that investment opportunities will be allocated to us fairly or equitably in the short-term or over time. We expect that these determinations will be made similarly for other accounts sponsored or managed by Garrison Investment Group and its affiliates. In situations where co-investment with other accounts managed by Garrison Capital Advisers or its affiliates is not permitted or appropriate, Garrison Investment Group and Garrison Capital Advisers will need to decide which client will proceed with the investment. The allocation policy of Garrison Investment Group and its affiliated investment advisers provides, in such circumstances, for investments to be allocated on a rotational basis to assure that all clients have fair and equitable access to such investment opportunities.

Co-Investment Opportunities

We have in the past and expect in the future to co-invest on a concurrent basis with other affiliates, unless doing so is impermissible with existing regulatory guidance, applicable regulations and our allocation procedures. We, Garrison Investment Group and Garrison Capital Advisers obtained exemptive relief from the SEC on January 12, 2015 to permit greater flexibility to negotiate the terms of co-investments if the Board determines that it would be advantageous for us to co-invest with other accounts managed by Garrison Capital Advisers or its affiliates in a manner consistent with our investment objectives, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors.

Material Non-Public Information

Our senior management, members of our investment committee and other investment professionals from Garrison Capital Advisers may serve as directors of, or in a similar capacity with, companies in which we invest or in which we are considering making an investment. Through these and other relationships with a company, these individuals may obtain material non-public information that might restrict our ability to buy or sell the securities of such company under the policies of the company or applicable law.

Investment Advisory Agreement

We originally entered into an investment advisory agreement (the “Advisory Agreement”) with Garrison Capital Advisers on October 9, 2012, which Advisory Agreement was most recently amended and restated on August 14, 2018, pursuant to which we pay Garrison Capital Advisers a fee for investment management services consisting of a base management fee and an incentive fee.

The management fee and incentive fee paid to Garrison Capital Advisers are based on the value of our investments, and there may be a conflict of interest when personnel of Garrison Capital Advisers are involved in the valuation process for our portfolio investments in addition to the incentives the incentive fee structure may create for Garrison Capital Advisers to make speculative investments. Garrison Capital Advisers was paid management fees and incentive fees under the Advisory Agreement for the fiscal year ended December 31, 2018 in the amount of \$6.1 million and zero, respectively, and for the fiscal year ended December 31, 2017 in the amount of \$5.5 million and zero, respectively. Under the Administration Agreement, Garrison Capital Administrator performs, or oversees the performance of, our required administrative services, which include being responsible for the financial records which we are required to maintain and preparing reports to our Stockholders and reports filed with the SEC. Garrison Investment Group is the sole member of and controls Garrison Capital Administrator. The address of Garrison Capital Administrator is 1290 Avenue of the Americas, Suite 914, New York, New York 10104.

License Agreement

We have entered into a license agreement (the “License Agreement”) with Garrison Investment Group pursuant to which Garrison Investment Group has granted us a non-exclusive, royalty-free license to use the name “Garrison.” Under the License Agreement, we have a right to use the Garrison name for so long as Garrison Capital Advisers or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we have no legal right to the “Garrison” name.

Staffing Agreement

Garrison Capital Advisers has entered into a staffing agreement (the “Staffing Agreement”) with Garrison Investment Group. Under the Staffing Agreement, Garrison Investment Group makes available to Garrison Capital Advisers experienced investment professionals and access to the senior investment personnel and other resources of Garrison Investment Group and its affiliates. The Staffing Agreement provides Garrison Capital Advisers with access to deal flow generated by the professionals of Garrison Investment Group and commits the members of Garrison Capital Advisers’ investment committee to serve in that capacity. Garrison Capital Advisers capitalizes on what we believe to be the significant deal origination, credit underwriting, due diligence, investment structuring, execution, portfolio management and monitoring experience of Garrison Investment Group’s investment professionals.

Related Party Transactions Policy

The Audit Committee, in consultation with the Company’s Chief Executive Officer, Chief Compliance Officer and legal counsel, has established a written policy to govern the review of potential related party transactions. The Audit Committee conducts quarterly reviews of any potential related party transactions and, during these reviews, it also considers any conflicts of interest brought to its attention pursuant to the Company’s Code of Conduct or Joint Code of Ethics.

Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF RSM US LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019.

Audit Committee Report⁽¹⁾

The following is the report of the Audit Committee of Garrison Capital Inc. (the “Company”) with respect to the Company’s consolidated audited financial statements for the fiscal year ended December 31, 2018 (the “Audited Financial Statements”).

The Audit Committee has reviewed and discussed the Audited Financial Statements with management and RSM US LLP (“RSM”), the Company’s independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of RSM’s examinations, the Company’s internal controls and the quality of the Company’s financial reporting. The Audit Committee also reviewed the Company’s procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company’s chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the Securities and Exchange Commission (the “SEC”). The Audit Committee is satisfied that the Company’s internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with RSM matters relating to RSM’s judgments about the quality, as well as the acceptability, of the Company’s accounting principles as applied in its financial reporting as required by Auditing Standard No. 1301 (Communications with Audit Committees). In addition, the Audit Committee has discussed with RSM their independence from management and the Company, as well as the matters in the written disclosures received from RSM and required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committee Concerning Independence). The Audit Committee received a letter from RSM confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with RSM the Company’s critical accounting policies and practices, internal controls, other material written communications to management and the scope of RSM’s audit and all fees paid to RSM during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and audit-related services performed by RSM for the Company. The Audit Committee has reviewed and considered the compatibility of RSM’s performance of audit-related services with the maintenance of RSM’s independence as the Company’s independent registered public accounting firm.

Based on the Audit Committee’s review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors approved) that the Board of Directors approve the Audited Financial Statements and recommended to the Board of Directors that the Audited Financial Statements be included in the Company’s Annual Report on Form 10-K for the last fiscal year for filing with the SEC.
